LARGEST PAID CIRCULATION IN HANCOCK COUNTY

Entered as Second Class Matter in the Postoffice at Bay St. Louis, Act of March 3, 1879.

SHERIFF GIVES FAIR WARNING

Sheriff Gerald V. Price, Sr., gave warning this week, that beginning Saturday November 18th, (this week) all automobiles or trucks still using 1961 license tags will be picked up, and the violators will be fined \$25.00 and court costs. Also those who have purchased tags and have not put them on their vehicles, should do so before Saturday, or they, too, will be picked up.

We thoroughly agree with the sheriff in this tag matter. Mr. Price has been very lenient, so far, with car and truck owners, but he is an officer of the law and is only trying to do his duty, so for that reason he is giving them fair warning that he will begin Saturday, November 18 to pick up these delinquents.

As an added service, Sheriff Price set up several stations throughout the county, in order to make it easier for car owners in the outlying communities to purchase their tags before the legal deadline, so there is really no reason for so many to be delinquent.

So, if you do not want to pay a fine plus the cost of your tag be sure to take Sheriff Price's advice and get your tag between now and Saturday. We feel sure most of you car owners will do so.

South Pulp And Paper Industry's Employment Reaches All Time High

Employment in the South's pulp and paper industry reached an all-time high of 86,000 in 1960, and the total payroll hit a record \$463 million.

This was revealed by H. J. Malsberger of Atlanta, general manager of the Southern Pulpwood Conservation Association. He said these and many other facts about the industry are contained in a new 12-state Economic Analysis just compiled by SPCA.

Last year's employment total, Mr. Malsberger explained, was 3.6 per cent higher than the 83,000 workers on the job in 1959, the year covered by the Association's previous analysis. The 1960 total payroll, he added, was 8.5 per cent greater than the \$426 million reported for 1959.

In addition to those employed in pulp and paper mills, the survey revealed an additional 96,000 people were engaged in the independent business of supplying pulpwood to these mills. This was a gain of 17 per cent over the 1958 figure of 82,000.

Pulpwood purchased from landowners in over 90% of the counties of the South totaled \$471 million last year, Mr. Malsberger said. These purchases were 16.1 per cent above the \$404 million recorded in 1958.

The pulp and paper industry also has increased its efforts to give aid to individual landowners concerning good forestry practices, he added. In 1960 help was given to 366,157 landowners, 50 per cent more than the 24,195 owners who received aid in 1958.

Among other pertinent facts contained in the 1960 study are these:

The region's pulp and paper companies (1) spent \$34 million

improving their forests; (2) had more than 17 million acres of land open to hunting and fishing; (3) offered 135 scholarships; (4) sponsored 1,087 youths in forest camps and (5) sponsored 770 school forests.

"In meeting the need of our ever-growing population," Mr. Malsberger noted, "the South may reasonably expect a continued steady and healthy growth in its pulp and paper industry. Too, the constant research aimed at product development indicates that there will be many new and better paper products available for man's use in the near future."

He added that all this provides a sustained market for trees. Important, too, is the fact that good forestry and conservation practices, coupled with the planting each year of seedlings by the hundreds of millions, and natural regrowth, are providing for the South as a whole a favorable forest balance.

DAIRY INDUSTRY

The total gross income from the dairy industry in Mississippi in 1960 amounted to almost \$150,000,000. Of this figure, about \$80,000,000 went to the dairy farmers for the milk products and the "bottle" which they sold from their farms. The remainder of course involved the dairy plants in the state which manufactured and sold the dairy products to the consumers.

The gross income of \$80,000,000 to the dairy farmers of Mississippi represents about one-seventh of the total agricultural income in the state. The dairy industry serves two important functions in the State of Mississippi. First, it adds significantly to the economy of the state; and secondly, it provides the state with an adequate supply of one of the most healthful foods known to man.

had endured so that America and free people could live. In his easy going manner he gained the love and respect of all Veterans and citizens he encountered.

"He, even unknown, to himself, became a true leader and endeared himself into the hearts of his fellowmen."

"In the prime of his young manhood, God called him, and we have been deprived of his quiet greatness and companionship. His fellow veterans and brother Legionnaires, today particularly want to mark his untimely departure by publicly saying farewell to a real American, Lucas Pucheu, and we humbly ask God that he be placed in the immortal ranks of Americans who have given their all for the love of his God, His country and His fellowmen."

The Rev. Charles Johnson, rector of Christ Episcopal Church, gave the invocation and Mayor John A. Scaffie gave the welcome address.

Flag raising ceremonies were conducted and a moment of silence in honor of departed veterans was observed.

Other veteran organizations recognized were the Disabled Veterans, with Henry Otis as state chaplain; Veterans of Foreign Wars, Hugh Sanford, commander; Veterans of World War I, Henry Capedone, commander and American Legion Auxiliary, Mrs. L. Wilkerson, president.

Commander Frank Taconi was paid tribute for his outstanding work with the Post and other Legionnaires recognized were Henry Capedone and Fred Fayard, Post Americanism chairman and Veterans Day program director.

Noted at the ceremony were Bay St. Louis' only surviving Spanish War Veterans, Capt. Charles Traub and Capt. H. J. Thompson.

Participating in the parade led by American Legion Clement R. Bontemps Post 139 Color Guard, under captainship of Felix Seeger, were the Coast Voiture 251 Locomotive of the 40 and 8 manned by John Rutherford Jr., 52nd Keesler AFB band and St. Stanislaus band; Legion Auxiliary, Boy Scout, Girl Scout and Cub Scout Troops and other youth groups; St. Stanislaus, St. Joseph Academy, Christ Episcopal Day School and St. Stanislaus Day School students, and a group of World War I Veterans.

The Rev. Father Kevin Reid of Our Lady of the Gulf Church closed the program with benediction.

How to share in \$4,666,000,000 harvest

This year millions of Americans will buy about \$4.7 billion worth of Series E U.S. Savings Bonds when they work or bank.

This means that by 1969 they'll reap a harvest of \$4.7 billion, an increase of one-third. It will be a year when millions of wishes come true through planned saving. Why not plan your own little harvest? U.S. Bonds are guaranteed to grow by Uncle Sam. And every Bond you buy is a share in a stronger America.

You save more than money with

U.S. SAVINGS BONDS

Buy them where you work or bank.

For 30 years America's Newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Department is grateful to the Advertising Council and this newspaper for their patriotic support.

Jaycees Plan Cake Sale

Plans were made by the Jaycees at the monthly meeting last Wednesday, for a cake sale to be held at Jitney Jungle Wednesday, November 22. Cakes will be decorated in the Thanksgiving theme.

Nominations for new officers were presented and officers will be named at the December meeting, which will be a joint meeting and Christmas party. Mrs. Russell Elliott will be hostess for the party at her home on Carroll Avenue.

It was announced that the November card party will be held at 7:30 p.m., Wednesday, November 22, in the Jaycee building.

Sponsor Thanksgiving Dance

Our Lady of the Gulf Youth Organization will sponsor a dance Thanksgiving night, November 23, from 8 p.m. to midnight at the Knights of Columbus Hall.

Music for the occasion will be furnished by the Chaudettes.

HD Agent News

Mrs. Marcia Hughes, Home Demonstration Agent, met with the 11th and 12th Bay High Grade 4-H Clubs Tuesday and discussed Christmas ideas and suggestions.

Committees were also appointed to plan the Christmas program.

THANKS

Nelius Favre, chairman of a Flea-Fly football game, thanked everyone for the assistance and understanding in postponement of the game Sunday afternoon to Wednesday night because of inclement weather. They also want to thank Mr. Edward and family of the Lady of the Gulf School for building the Court, Mr. Ruiz, drill team director, Mr. Roderick, Brother, Mr. Stankiewicz, who assisted coaching the boys and every one who helped in any way to make the affair a success.

FHA Distributions

Figures just made public by the Federal Housing Administration show that FHA distributed \$33,417,000 to 643 home owners in Mississippi who paid their insured mortgage loans in full during fiscal year 1961. Buford Yerger, director of the FHA office in Jackson, said today.

FHA makes these payments, Mr. Yerger explained, because its principal insurance fund, the Mutual Mortgage Insurance Fund, operates on the same principle as a mutual insurance company. Income received from mortgage insurance premiums paid by home owners is used to pay FHA expenses and insurance losses and to set up insurance reserves. Any remaining premium income is returned to home owners as distributive shares. These are in effect dividends; but unlike the dividends paid by mutual insurance companies, an FHA dividend is paid only once - at the time the mortgage is paid in full.

Mr. Yerger emphasized that distributive shares are paid only to home owners whose mortgages were issued under Section 203 of the National Housing Act, which accounts for 87 percent of all home mortgages insured by FHA. Since 1945, he said, when the first payments were made, \$121 million has been distributed to 665,000 home owners throughout the United States. In the last fiscal year alone, 92,000 owners who completed payments on their mortgages were paid dividends totalling \$13.9 million.

Whether or not a particular owner receives a dividend from FHA depends among other things on the term of his mortgage and length of time the mortgage continued in force before it was paid in full. The premiums paid by the home owner in the year of the mortgage are not enough, on the average, to meet their proportionate share of FHA insurance costs and reserves. The longer the mortgage is in force the better chance the home owner has of receiving a distributive share and the larger the payment is likely to be.

Distributive shares are paid by FHA automatically when they are due. Payment is made to the legal owner of the property at the time the mortgage is paid in full as reported by the mortgage lender.

Bay High Tigers Tie Ocean Springs 14-14 Friday

Bay High Tigers and Ocean Springs tied 14-14 in a Gulf Conference football game Friday night at Freedom Field in Ocean Springs.

The Greyhounds tallied all their points in the second quarter for a 14-0 lead, while the Tigers scored in the third and fourth periods.

A 25-yard pass from quarterback David Beaugez to end Jimmy Cook gave the Greyhounds their first touchdown following a blocked Bay High punt. Beaugez converted from placement for a 7-0 Ocean Springs lead.

Halfback Roy Franklin got the other Ocean Springs tally when he intercepted a Bay High pass and ran 35 yards. Beaugez again kicked the extra point, Ocean Springs led 14-0 at the half.

Bay High made its first touchdown in the third quarter when halfback Donald Saucier plunged over the double stripes from one yard out after the Tigers had driven 38 yards. Quarterback Ronnie Peterson ran the extra point and the Greyhounds lead was cut to 14-7.

The game's final score came in the last quarter when fullback Bobby Van Calsem of Bay High bucked over from one yard out. This touchdown came after the Tigers had recovered an Ocean Springs fumble on the Greyhounds 28.

A pass from Peterson to Saucier accounted for the game-tying extra point.

Bay High plays St. Martin next week at Stanislaus Stadium.

Long Beach Defeats North Central, 63-6

The Long Beach Bearcats, scoring all their points in the first three quarters, downed North Central Hawks, 63-6 in Friday night's game at Long Beach.

Bobby Patnotte led the scoring for Long Beach with three touchdowns.

Ronald Lander scored twice on a 35-yard pass interception and an eight-yard pass from Alan Young. Richard Daniels and Gerry Hiller also scored touchdowns, while James Neill kicked nine extra points for the Bearcats.

North Central scored in the final period on a pass from Eddie Peterson to Berlin Nicaise.

Visit With Parents

A/1 and Mrs. George Proulx and son Mark arrived Friday from Clint-Sherman AFB, Oklahoma. Airman Proulx will attend school at Barksdale AFB, Shreveport, until December 7, while Mrs. Proulx and son will remain for a visit with her parents, Mr. and Mrs. Jack Chevris and family.

No home owner has a vested right in the funds available for the shares and neither is he liable for any loss suffered by the FHA insurance fund.

et which was approved by the group. Membership chairman, Mrs. LeRoy Luke, reported the membership drive is lagging.

Mrs. Gowen announced a committee had been appointed to select a theme for Mardi Gras. Appointed were Mesdames R. J. Stephens, Harold Kramkey and Miss Mary Perkins.

The door prize was won by Mrs. E. G. Harrell and room count prizes Mrs. Ida Whitney's first grade, Mrs. Frances Bryant's 6th grade and Mrs. Norman Hall's 10th grade.

Refreshments in the Thanksgiving month were served during the social hour by the second grade mothers of the S. J. Ingram and Waveland Schools.

DISCHARGED FROM HOSPITAL

Mrs. Elus Depree was discharged from Hancock General Hospital Sunday and is reported recuperating nicely at her home on Carroll Avenue.

Stanislaus Defeats Carriere For Third Win, 32-13

St. Stanislaus defeated Carriere 32-13 at Stanislaus Stadium Friday night.

The Rock-A-Chow, who scored in every quarter led 14-0 at the end of the first quarter.

Golden Jones and Phillip Fantolo each scored two touchdowns. Jones scored on runs of 70 and 60 yards and Fantolo on runs of 62 and 78.

Carriere scored both of their TDs in the second quarter.

The Altar Society of St. John's Catholic Church, Lakeshore, will sponsor a benefit cake walk Sunday, November 19, beginning at 2 p.m. Refreshments and other entertainment will be featured.

The public is invited to attend. Proceeds will be used to purchase an altar for the new church, construction of which will begin in the next few months.

Members of St. John's Altar Society

Members of the St. John's Altar Society, Lakeshore, made the recent women's meeting.

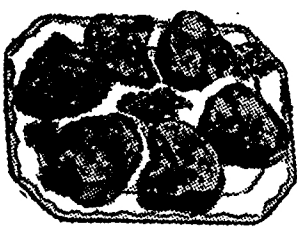

Mrs. J. P. Rousseau, president of the group, made the recent women's meeting. She said the group is planning a cake walk and a social hour, and after, was assisted by the club as its project for the coming year.

A demonstration on Christmas suggestions was given, and various Christmas gifts, decorations, etc., made by members were displayed.

The club's Christmas party will be at the home of Mrs. Alfred Daxit, December 13.

Member present were Mesdames Frank Simmons, Charles Burdette, J. Saleeby, Alfred Daxit, J. P. Rousseau, T. A. Smith, E. Ladner, Russell Kintzley, J. C. Goodloe, Kirk Rheams, Ole Moran and C. Becker.

DISCOVERY

Maybe it seems odd to think that anyone has to "discover" the Bible. Yet stop and think how few of us really know this Book of books.

Time was when families read the Bible together, and most youngsters could quote their Scriptures. Biblical allusions were commonplace and understood by one and all.

Then somehow, over the years, a lot

of people forgot about the Bible. Or they reserved it exclusively for Sundays in church.

Now, there is a great and blessed resurgence of Bible reading in our land—thanks to the great work of the American Bible Society. Youngsters like these are learning new truths for themselves. They are putting God's word not just into Sunday, but into every day.

THE WORD FOR THE WORLD

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

It is more important that dairymen keep a stock of their own milk, and lower the cost of producing milk.

No business can long without records of their various operations. Records are just as important to the dairyman as his milking program and a record of his cows, according to her production. He knows cows to sell, what year he needs more cows, what practices must be followed.

Two record programs are being developed by the Agricultural Service through local dairymen (WADAM), and the Dairy Improvement Association. Dairymen participate in testing programs have been assist them in managing their herds and answer such questions as:

Which cows shall I keep and which shall I sell? How should I feed each cow? What cows should I save for the future?

In addition, the dairymen facts on which to base his management program, herd expansion and other important decisions.

LIME—THE FARMER'S FRIEND
Lime can truly be called the farmer's friend. It furnishes calcium and magnesium for plant growth. It sweetens soil and makes other fertilizers more effective. One pound of phosphate well-limed soil is equal to 40 pounds on sour soils.

Lime increases bacterial life in the soil. This keeps the soil mellow and improves the growing condition.

Lime reduces poisoning of crops by minor elements like molybdenum, iron and aluminum. Lime is available other minor elements which the plants need.

Most important: Lime costs 50¢ for each \$1 invested when applied on acid soils.

PECAN PLANTING

Pecan tree planting has soon been here. Recommended planting months are December, January and February.

Order your trees early if you can get the size and variety you want. Recommended varieties include Stuart, Desirable, Elliot, Curtis and Early. Success can be secured when a spray program is carried out.

It is desirable to plant more than one variety. Select your trees carefully and make sure you don't plant the trees too close together. Make holes deep and large enough to set trees an inch or two apart than they grew in the nursery.

AFTER HARVEST JOBS

Shred all stalks. This will cut down on insect problems next year. It will also cause the stalks to rot faster, adding organic matter to the soil and getting rid of stalks that interfere with cotton next spring.

Break and row up heavy soils this fall so that minimum tillage will be necessary for planting next spring.

Soil test all fields and get to find out lime and fertilizer needs for next year. Do this as the soils testing laboratory results back to you at this time of year that is in the spring rush.

Stain removal is a problem. It is often a problem. It is complicated by many factors. The new fabric and finished fabrics almost refuse to take up stains, and a few of the man-made fibers are particularly good at repelling stains. Don't blame your washer when these stains don't come out. You need to learn new methods of removing today's fibers and finishes. The way grandmother did it isn't good enough for the modern garments.

You can come nearer removing today's stains if you follow a few suggestions:

Follow instructions carefully. Remove the stain as soon as

possible. If the quicker, the better. Once a greasy stain takes up, it is often more difficult to remove.

Use absorbent (cornstarch, talcum powder, cornmeal) on fresh greasy spatters. Spread powder over stain and as it absorbs the grease, remove with a brush. Repeat as necessary.

Hot, old or stubborn stains on washable articles with detergent. A liquid detergent is easy to use, or you may make a paste of your favorite detergent to use. Rinse in hot water. It even may be necessary to put the garment through a wash cycle in your machine. Hot water, regular agitation and plenty of detergent will help remove the grease, but you will have a garment with more wrinkles in it.

Use a grease solvent only as a last resort. The fumes are poisonous.

Observe all precautions about these solvents, as none are available that are without hazard to the user. Follow directions to the letter.

Be patient. It often takes extra

OUTDOORS IN
MISSISSIPPI

Outdoors in Mississippi, fish bite year round. A picnic in the park is another tradition enjoyed in Mississippi. Cool weather perks up the appetite and makes outdoor eating more fun than ever. Mississippians take to the water with enthusiasm with 17,000 registered with the Boating Safety Commission. Fads may come and fads may go, but the old-fashioned playground swing goes on as a favorite with the small fry. Also, in Mississippi horseback riding is not confined to the television.

WHEN YOUR FREEZER STOPS

You can take several steps to keep your food from spoiling:

Number one is keep the freezer closed.

You can move the food to a locker plant. Add dry ice if you can get it. Or, can the food if necessary.

In a closed, fully-loaded freezer, food usually stays frozen about two days after the electricity goes off. With less than half a load, it probably won't last much more than a day.

STATE INKKEEPERS MERGE—At a general meeting of the Mississippi Inkkeepers Association, Thursday at the Waltham Hotel, Jackson, members of the Association voted unanimous approval of merger plans with the Mississippi Motor Court Association. Beaming their personal satisfaction of the consolidation of all types of properties in the growing accommodations industry, President Harry Dole, Hattiesburg, of the motor court group (left) and President Chris Thygesen, Biloxi, of the innkeepers organization, shake hands above, after re-reading the merger document. The Mississippi Motor Court Association had voted its approval of the merger plans on October 17th at its annual meeting in Jackson. The consolidation program had earlier been endorsed by the boards of directors of both groups. In a joint statement, the presidents said: "We are delighted that our members in both associations so overwhelmingly voted approval of this consolidation program which will benefit the general public who are guests at our motels and hotels and will benefit our own members through the elimination of duplicate administration details and separately planned trade promotions."

MEMBERSHIP GOAL
MCPT, 102,002 IN
1962 ANNOUNCED

Mrs. Otis Crocker, Bruce, chairman of membership, MCPT, has declared a goal of 102,002 membership for 1962. "Teamwork does it. Team up today. Join the P.T.A.," Mrs. Crocker adds. "Enroll all parents, teachers and citizens in a P.T.A. before the year is out. Use all kinds of good contacts. Employ the visitation plan so long used by the Mississippi Congress. Tell non-members that P.T.A. exists only for the improvement of the welfare of children which is worked on through numerous and varied studies, activities and projects. Membership comes through paying dues which are always nominal, and by being willing to abide by the unit's by-law."

The Mississippi Congress now has a membership 97,977 in 416 local units. The National Congress membership exceeded 12,000,000 in close to 50,000 units in 52 state branches, including the District of Columbia, Hawaii, Alaska, and the European Congress of American Parents and Teachers in U. S. Forces Dependents Schools from Iceland to Istanbul and North Africa. Mississippi's membership has steadily increased as more and more citizens have joined the ranks of the mighty army of volunteers whose aim is to work and cooperate intelligently for better home, school and community conditions.

Educators - administrators, and teachers see the P.T.A. as the best way to interpret the school program to the community; parents and non-educators view the P.T.A. as the best method of coming to understand the present day educational system and its needs and achievements.

The record high attainment of membership in the Mississippi Congress can be assured by such testimony as reported from the Gulfport High School P.T.A. where the highest enrollment in its history has been achieved for 1961-62. One of a number of activities designed to arouse special interest in becoming a member was this: Students in third-year Spanish classes translated into English "Usted Debe Ser Miembro de Nuestra P.T.A." (copies had been sent to their parents), the Spanish version of the National P.T.A. membership leaflet, "You Belong in Our P.T.A." Mrs. Milton B. E. Hill, high school service chairman, resides in Gulfport. This activity was printed in the national Congress Bulletin for September 1961.

The National Congress president, Mrs. Clifford N. Jenkins, Long Island, New York says that through the faith and work of P.T.A. members, our aims and object can be abundantly fulfilled.

Mrs. H. D. Worthy, Oxford, president of the Mississippi Congress cordially invites and urges that in school communities where no P.T.A. exists - and there are too many of them, she states - school administrators give serious consideration to teaming up with the 97,977 members in the 416 units by organizing a P.T.A. early this fall. "Benefits resulting from the work of the Mississippi Congress worth sharing in by schools, teachers and communities, are worth working for," Mrs. Worthy states emphatically. So, team up today. Join the P.T.A.

ADVANCE PLANTING
NEEDED FOR
FLOWERING GARDENS

Careful, advance planning will do much to make a flower garden a beautiful asset to the landscape. Through the use of annuals, perennials and biennials, year-round beauty and variety is possible from the first crocus in spring to the last chrysanthemum in fall. Whether a planting, a definite plan should be started with because they bloom over a longer period of time than annuals, perennials should form the foundation of a garden. Annuals are excellent for use in interpreting to give a splash of midsummer color.

WILL MISSISSIPPI
HAVE ANOTHER
MAID OF COTTON?

Will another girl wear King Cotton's crown in 1962?

Twenty-one year old Betty Sue Price, of Crystal Springs, Miss. is the state's first entry in the Maid of Cotton contest. She hopes to succeed Maif Linda Lacey of Forest.

Betty Sue, a brown-eyed brunette, is the daughter of Mr. and Mrs. Douglas F. Price. She is a senior at Mississippi State College for Women, majoring in elementary education.

A graduate of Crystal Springs Consolidated High School, she was president of the student body yearbook editor, a cheerleader, class favorite, senior beauty, and a Girl's State delegate.

At M.S.C.W., she is a member of the Student Education Association, the Mam'selle and Masker social club, secretary-treasurer of the senior class, and captain of the modeling squad. She was named first alternate in the "Miss M.S.C.W." contest and sweetheart of Kappa Sigma fraternity. She has served as a freshman student advisor for two years.

Betty Sue was named first alternate in this year's "Miss Mississippi" contest, after placing first in the talent competition. She also holds the title of "Miss Crystal Springs."

Maid of Cotton contestants must have been born in a cotton-producing state, never married, between 19 and 25 years of age, and at least five feet, five inches tall. Betty Sue was born in Memphis, Tenn., and meets the minimum requirements of height.

If she is selected as one of 20 finalists, Betty Sue will participate in two days of contest finals in Memphis, December 28-29. Should she be chosen Maid of Cotton, she will fly via Pan American World Airways to Europe for visits to leading fashion centers.

Official entry blanks may be obtained from the National Cotton Council, P. O. Box 9905, Memphis 12, Tenn.

Two Entered From
Hancock County

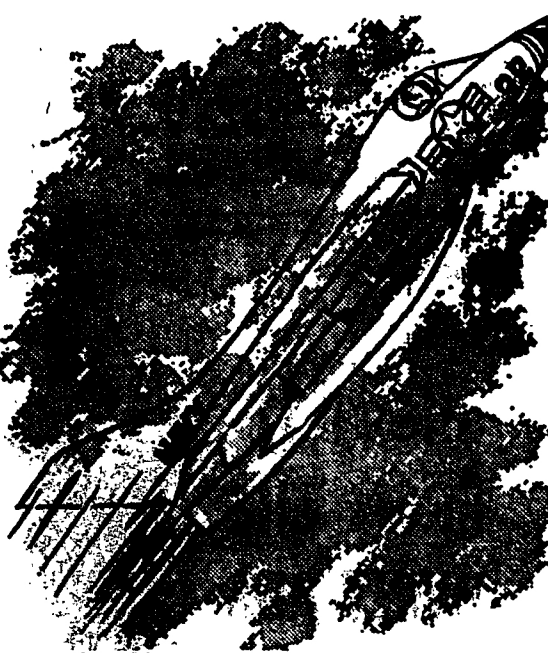

COLUMBUS, Miss.—Two girls are enrolled from Hancock County this semester at Mississippi State College for Women, one from Pass Christian and one from Bay St. Louis.

From Pass Christian is Dianne Elaine Ladner, Rt. 1, Box 152. From Bay St. Louis is Edith Ann Traub, 1200 Dunbar Ave.

Witches and ghosts decorated the Jaycee Hall for the Jaycee dance, Halloween night. The Claudettes furnished music for the occasion.

Prize for the best costume went to Larry Mauffray, who was dressed as a tramp.

Monday night, the Jaycee board of directors met at the home of Mrs. Frank Schmidt, and nominating committee with Mrs. Larry Mauffray as chairman was appointed. Other members named were Mesdames Ralph Hille, Thomas Logue and Gerald Gex. Election of new officers will be held at the December meeting.

Attending were Mesdames Frank Hille, Andre Arceneaux, William Brelard, A. K. Martinovich Jr., Ralph Hille, Mauffray and Schmidt.

NOTICE

Sealed bids will be received by the Mississippi Forestry Commission until 10:00 o'clock a.m., Monday, December 11, 1961 at the Area Office in the Agricultural Research Service Building, Gulfport, Mississippi, P. O. Box 2066 Evergreen Station, for the following:

Planting 150 thousand slash pine seedlings on section 16, Township 7 South, Range 16 West. And for planting 150 thousand slash pine seedlings on Section 25, Township 5 North, Range 15 West, Hancock County, Mississippi. For complete information write or call the Area Forester, Mississippi Forestry Commission, Bay St. Louis, Mississippi, phone number HO-7-7294. 11/16/61

FORESTRY
NOTES

Area Forester Glen D. Purvis announce that the Mississippi Forestry Commission, in response to public opinion, will produce a bumper crop of vigorous seedlings for reforestation purposes during the 1961-62 planting season.

Nursery Supervisor W. D. McNeel of Jackson stated that early orders for spruce pine, bald cypress, cottonwood, yellow poplar, cherrybark and nuttall oak have depleted supplies of these species. McNeel emphasizes that orders for other species will be accepted until supply is exhausted.

Area Forester Purvis said, "Any Hancock County landowner who is not aware of the methods of obtaining seedlings should contact county agriculture workers or me at P. O. Box 112 in Bay St. Louis." Purvis stresses that improper care and handling of seedlings is the primary cause for poor survival of trees in young plantations. He said, "Seedlings furnished by the Mississippi Forestry Commission are grown from local seed and are protected from insect and disease damage at the nursery. Observation of a few simple rules before and during planting will assure the landowner a healthy stand of young trees."

Area Forester and county fire crews and towermen ask your cooperation in helping prevent forest fires. Before burning trash and fields construct a fire break around entire area. Do not start any fire if there is a high wind. Burn trash, etc. after 4 p.m. if no winds. Report all fires to fire crew at Rocky Hill Tower HO-7-4811.

May-Lafontaine Wedding In Lakeshore Sunday

Miss Gloria Jeanne Lafontaine, daughter of Mr. and Mrs. Monroe Lafontaine of Lakeshore, Miss., became the bride at 2 o'clock Sunday afternoon at the Orleans Club, in New Orleans when she was married to Mr. May, son of Mr. May of Miami, Florida, and the late Mr. May, in St. John's Catholic Church, Lakeshore.

The Rev. Vernon Danenmann of the Church of the Annunciation, Kiln, Miss., performed the double ring ceremony before an altar trimmed with white gladioli and greenery.

The bride, escorted to the altar by her father, wore a white satin and lace gown. The fitted bodice featured a V neckline, and long sleeves; the full skirt fell into a train. Her short veil of illusion fell from a small tiara of seed pearls. She carried a bouquet of white carnations.

Miss Dianne Stoufflet, Lakeshore, was maid of honor. Bridesmaids were Misses Jeanie Hyman, New Orleans; Brenda Lafontaine, Lakeshore; and Lila Ladner, Bay St. Louis.

The attendants wore dresses of net and satin in pastel shades. The ruffled skirts were fashioned with fitted bodices with round necklines and short sleeves. They wore matching slippers and small hats with circular veils. Their bouquets were cascades of pink and white carnations.

The mother of the groom wore a beige suit, light brown accessories and a pink carnation corsage. For traveling the bride wore a lavender suit, black accessories and a corsage of white blossoms.

On their return from a wedding trip to Oklahoma, the couple will make their home in Florida where the groom is stationed with the U. S. Air Force.

Sam Whitfield camp in Logtown Saturday night.

The group of 20 young people were accompanied by Miss Mary Perkins, counselor, Mr. and Mrs. W. R. Pitcairn and Mrs. J. W. Clark.

A meeting was held Monday morning in the County Agent's office to organize a rural area development committee for Hancock County.

The purpose of the committee, county agent O. O. Swords stated, is to discuss problem of the people in the county and to try and solve them by giving all possible assistance.

The committee will meet again in the next few weeks at which time officers will be elected. All organizations are asked to assist in the program.

Attending were Mabel Green, representing the Hancock County Chamber of Commerce; Ray Gordon, Bay Rotary; Hugh Sanford, Soil Conservation and Veterans of Foreign Wars; Dr. J. L. Fargason, Flat Top; Mrs. J. L. Fargason, Flat Top Home Demonstration Club; Mrs. Louis Moreau, Town and Country Garden Club; Mrs. J. P. Rousseau, Hancock County Home Demonstration Council; Mrs. Reuben Gray, Bay-Waveland Garden Club; Louis J. Breaux, president Farm Bureau; C. M. Dunnann, Soil Conservation Service; John W. Smith, assistant county agent; James A. Fillingame, Civitan Club; O. W. Delph, retail merchants association; H. H. Shattuck and W. E. Ellis, Coast Electric Power Association; John W. Haynes, Agricultural Stabilization and Conservation Service; Max Stone, Farmers Home Administration; Mrs. Marcia Hughes, Home demonstration agent and O. O. Swords.

Girl Scout Troop 120 visited the Industrial Arts Class at Bay High last week where they heard a discussion on metals and tools from industrial arts instructor, Kermit Nations.

7TH ANNUAL TOURNAMENT AT ISLES 18 AND 19

Pass Christian, Miss. Golf Club invites you to its Seventh Annual Invitational Tournament on November 18 and 19, 1961. This tournament is for both men and women and will be medal play in flights. There are four fine prizes for each flight.

Entry fee is \$10.00 and will entitle you to the barbecue supper Saturday night at the Golf Club. Guests are welcome to the barbecue for \$2.50 per person. We think our club is well known, not only for the fine playing golf course, but also for this barbecue.

There will also be a Pro-Am on Friday, November 17, for which the entry fee will be \$5.00. The course will be open to entrants in both the Invitational and the Pro-Am on Thursday, November 16.

We are hoping you will "spread the word" and make a party. The doors will be open with all the hospitality we know how to give. We will be looking forward to meeting the new faces and seeing old friends of this tournament.

Send entries to either:
Dr. John L. Griffin, Box 349,
Bay St. Louis, Mississippi, or

Cheerleader Clinic
At Perkinston Jr.
College Jan. 20

PERKINSTON, Miss. — A golden opportunity for cheerleaders throughout the South will be presented on the Perkinston Junior College campus, Saturday, Jan. 20, 1962 where the fourth annual Mississippi cheerleader clinic will be conducted on the college campus.

The annual one-day event will be under the direction of "Mr. Cheerleader" Lawrence R. Herkimer of Dallas, Texas, the nation's number one cheerleading authority. Mr. Herkimer will personally attend the event conducting students in the most modern techniques of cheering. He has trained over 75,000 high school and college yell leaders in 38 states during the past ten years.

Mr. Herkimer and his assistants will head students in effective cheerleading routines, colorful demonstrations, crowd psychology, boosting school spirit, sportsmanship, pep rallies, bonfires, parades, song and chants, novel yells and mass demonstrations. Evaluation and suggestions will be offered by members of the clinic after demonstrations of yells.

Students attending will be housed in Perkinston dormitories with the programs to be conducted in the college gymnasium.

Those interested are urged to contact Miss Sue Rose or Mrs. Lillian Hayden at Perkinston Junior College for all information.

B-WGC HAS REGULAR MEETING AT HOME OF MRS. J. A. EVANS

The regular monthly meeting of the Bay-Waveland Garden Club was held Thursday, November 9, at the home of Mrs. J. A. Evans on North Beach Blvd., with Mrs. R. F. Gray, presiding.

Due to illness of guest speaker Mrs. Kathleen Davidson, Mrs. Hilaire Ogden read a paper on "Landscaping the Home," written by Mrs. Davidson. It stressed the need of planning ahead, for a few plants properly and artistically placed; plants of the right type, habit of growth and color, will do more to add beauty to the home, than a great many in violation of the landscape principle of balance, rhythm, texture, size and color.

Mrs. Waldo Otis gave a demonstration of the half-circle arrangement on gardening tips.

Mrs. Leo Seal announced plans for the Christmas Veterans' Party.

Mrs. Wallace Chevis said the theme for Spring Flower Show will be "Biblical."

A workshop on Christmas decorations and gifts will be held Friday November 17, at the Center on Leonard Ave., starting at 9:30 a.m.

Hostesses for the tea held after the meeting, were Mrs. J. A. Evans and Mrs. H. H. Shattuck. Co-hostesses were, Mrs. Liddell Caffery, Mrs. P. E. Porter Sr., Mrs. Dan Russell, Mrs. J. A. Evans, Mrs. A. E. Alexander, Mrs. O. P. Adams, Mrs. Rene DeMontluzin, Mrs. A. Al Rau.

Gulfview PTA Met Tuesday Night

The Gulfview PTA met Tuesday night with Mrs. Arthur Smith, vice president, presiding in the absence of the president, Ernest Cuevas.

It was announced that Mrs. Gordon Courree will donate material for the construction of a much needed trophy case at the school.

A motion of Mrs. Malcolm Green to place a plaque above the case in memory of the late Gordon Courree Sr. for his many services to the school and community, was unanimously carried.

Dedication of the new classrooms will be held at 7 p.m. Saturday night. Clarence Ladner, guest speaker, will discuss Civil Defense.

Ed Ortte, member of the county school board, will donate fish for a fish fry to be held following the dedication ceremony, to which the public is invited.

Each class will plan its Christmas party and fruit and candy will be given by the PTA.

Mrs. K. G. McCarty's second grade won the room count, and the eighth grade, assisted by Mesdames Courree and Smith served refreshments.

SCENE FROM "THIEF OF BAGDAD," starring Steve Reeves, which will show at the STAR Theatre, Sunday and Monday, November 19 and 20.
